

REMARKS

Reconsideration is requested.

The allowance of claims 45 and 47-50 is acknowledged, with appreciation.

Claim 46 has been amended above to include the Examiner's suggested distinction, without prejudice, to obviate the remaining rejection of the claims (i.e., the Section 112, second paragraph, rejection of claim 46). Entry of the above will obviate the remaining rejection and place all of the claims in condition for allowance. Entry of the present Amendment and a Notice of Allowance are requested.

The Examiner is requested to contact the undersigned in the event anything further is required.

Respectfully submitted,

NIXON & VANDERHYE P.C.
